

## Simple past (= einfache Vergangenheit)

Regelmäßige Verben enden im Simple past immer auf -ed. Bsp.: help – helped - helfen

Unregelmäßige Verben muss man lernen. Du findest sie auf den Seiten 197/198 im Buch.

### Ergänze die Tabelle:

| Infinitive form<br>(Grundform) | Simple past form<br>(Einfache Vergangenheit) | Deutsche Bedeutung |
|--------------------------------|----------------------------------------------|--------------------|
| sit                            | sat                                          | sitzen             |
| have                           |                                              |                    |
|                                | was/ were                                    |                    |
| love                           |                                              |                    |
|                                | fished                                       |                    |
| leave                          |                                              |                    |
|                                | drove                                        |                    |
| put                            |                                              |                    |
|                                | turned                                       |                    |
| eat                            |                                              |                    |
|                                | hiked                                        |                    |
| camp                           |                                              |                    |
|                                | could                                        |                    |
| say                            |                                              |                    |
|                                | planned                                      |                    |
| come                           |                                              |                    |
|                                | died                                         |                    |
| answer                         |                                              |                    |
|                                | went                                         |                    |
| remember                       |                                              |                    |
|                                | told                                         |                    |
| talk                           |                                              |                    |
|                                | did                                          |                    |
| live                           |                                              |                    |
|                                | used                                         |                    |
| forget                         |                                              |                    |
|                                | prohibited                                   |                    |
